01 Legal registration in Chicago

Sectora is operated by **Sectora Foundation IL**, a company registered in the State of Illinois under number **18523639**. It is a public record: anyone can check it without asking us for anything.

LEGAL NAME	Sectora Foundation IL
HEADQUARTERS	Chicago, Illinois, United States
REGISTRATION NO. (FILE NUMBER)	18523639
STATE REGISTRY	Illinois Secretary of State · Business Entity Search
COST OF THE SEARCH	Free, no account needed

Step by step from the United States

1. **Open the state registry.** Go to ilsos.gov, *Business Services* section, and choose *Business Entity Search*. The search is at apps.ilsos.gov/corporatellc.
2. **Search by number.** Select the *File Number* mode. It returns one exact result, not a list.
3. **Type 18523639** and press *Submit*. The company's *File Detail Report* opens.
4. **Read the report.** Check that the name is **Sectora Foundation IL**, the *Status* and the jurisdiction **IL**. The incorporation date and the registered agent are also shown there.

ACCESS FROM OUTSIDE THE UNITED STATES · VPN WITH A US EXIT

The Illinois Secretary of State portal is only available to connections that originate inside the United States. To check it from another country, connect through a VPN with a US IP address.

This is needed because of a geographic restriction on the State's own portal, not on the registry. The record is public and shows the same information from any location; the VPN only lets you reach the portal.

1. **Install a VPN.** Any well-known VPN with servers in the United States. It works on a phone or a computer.
2. **Connect to a server located in the United States.** For example, Chicago or New York. Wait for the VPN to confirm the connection: your IP address will become a US one.
3. **Open the search:** apps.ilsos.gov/corporatellc. If it does not load, close the browser, open it again and go back in.
4. **Choose *File Number*** as the search mode.
5. **Type 18523639** and press *Submit*.
6. **Review the *File Detail Report*:** name **Sectora Foundation IL**, status, jurisdiction IL, incorporation date and registered agent.
7. **Optional:** from that same page you can buy an official *Certificate of Good Standing* from the state.
